

# Key stage 1 Summer 2

## Literacy

We are going to be reading fairytales and twisting them to create alternative versions. The children will also write about themselves to give to their new teachers and to find out about their new classes.

## Science

We will be investigating what bean plants need to grow successfully. The children will also learn more about growth in animals and life cycles.

## Maths

The children will be solving problems and learning reasoning skills. The children will be applying and recalling their number facts helping them to build up their mathematical fluency.

## Geography

We will think about how a map of fairy tale land would look like. We will revisit continents and find out where the children have been abroad. We will describe settings for fairy tales using geographic language.

This term our topic is:  
**Terrific Tales**

## Music

We are going to continue to use our voices this half term. We will sing a variety of songs, thinking about the pitch and dynamics of our voices.

## RHE

This term we will be thinking ahead to changes and trying to identify and recognise the impact our emotions have on us and others.

## ICT

The children will be learning how to present information about fairy tales using either Microsoft Word or PowerPoint.

## Art /

### Design Technology

We will enjoy two Art Days – practicing and refining the skills we have learnt throughout the year. We will create pieces of art for a gallery.

## PE

We will continue to receive sessions from our Chelsea coaches. We will play a variety of team games. We will think about football with the arrival of the Women's world cup.

## RE

The children will be learning finding out about creation stories told in the Hindu and Christian religions.

## Hook and round up.

**Rationale:** we are going to head into 'fairy tale' land. What could we see? Who will we see? What fairytales do the children know? We are then going to learn about and adapt different fairy tales to create alternative versions.

### Round up:

The children will read their stories to the year R children. Photos will be online afterwards. Please look at your calendar dates for the half term as there is a lot going on, such as with transitions and the year 2 leavers assembly.

## **NEW** All Things New!

Each class will have the opportunity to use the school library **on a Monday, Wednesday and Friday**. The children will be able to choose a book to read for pleasure at home, to go alongside their coloured reading book which is matched to their reading level. Please remind your child to change their library book when they need to.

This half term we are lucky enough to be having our Chelsea coaches on a **Friday** for PE. The children can wear their PE kits into school on **Wednesday and Friday**. Please ensure all items of clothing are named.

## Homework

Lots of children have reached their 150 reading milestone last half term, well done if your child is one of them! Please encourage your child to read for a few minutes each night and to write a comment in their reading diaries.

Remember – Hold a sentence homework will go out on a **Friday** and is due back in on the following **Friday**. You will receive an email every Friday with all the homework, including Purple Mash activities so give these a try!
